

Lukas Slivka

Software Developer

Dedicated Software Developer with a focus on C# and the .NET Core. Committed to crafting well-structured and efficient code, I bring a proven history of creating functional software solutions. I am dedicated to maintaining up-to-date knowledge of industry trends and best practices. With effective communication skills and a collaborative approach, I thrive in team settings and am enthusiastic about contributing to the success of software projects.

Employment History

Duty Manager at Hart's hotel & kitchen Nottingham

June 2024 – Present

As duty manager, I oversee the hotel operations, making sure that every department runs smoothly. Making sure that every guest receives the best service possible.

Self-Employed Software developer

June 2023 – Present

Developed web and desktop applications using .NET, C#, JavaScript, HTML, and CSS. Delivered full-stack solutions and managed projects independently from start to finish.

Software Developer at Ickonic Media Limited, Derby

MARCH 2022 – AUGUST 2023

As a Full Stack Software Developer at Ickonic Media Limited, I was responsible for the end-to-end development and maintenance of web applications and software solutions. Leveraging my proficiency in both front-end and back-end technologies, I collaborated with cross-functional teams to design, implement, and enhance features that aligned with the company's objectives. I participated in architectural discussions, translated user requirements into technical specifications, and ensured the delivery of high-quality code. My role involved working with technologies such as HTML, CSS, JavaScript for front-end, and C# for back-end development. I also engaged in database design, integration of APIs, and performance optimization to create efficient and scalable applications. Through continuous learning and staying abreast of industry trends, I contributed to maintaining the company's technological competitiveness and played a vital part in driving the success of projects.

Front Office Supervisor at Accor Hotels, Nottingham

DECEMBER 2017 – MARCH 2022

In the role of Front Office Supervisor at Accor, I assumed a leadership position within the front desk team. I oversaw daily front office operations, including guest check-in and check-out, managing reservations, addressing guest queries and issues, and coordinating with various departments to ensure a seamless guest

experience. I provided guidance and support to front office staff, conducted training sessions, and ensured adherence to hotel policies and procedures. Additionally, I managed scheduling, assisted with resolving escalated guest concerns, and played a key role in maintaining a positive and efficient working environment.

Front Office Specialist at Travelodge Hotels Limited, Sutton

MARCH 2017 – DECEMBER 2017

As a Front Office Specialist at Travelodge, I managed a range of essential front desk operations to ensure seamless guest experiences. Responsibilities included guest check-in and check-out, reservation handling, providing information about hotel services and local attractions, addressing guest inquiries and concerns, and ensuring the accuracy of billing and payment processes. Collaborating closely with the hotel team, I maintained a welcoming atmosphere and contributed to maintaining high levels of customer satisfaction.
